2011/09: NCIDQ Lowers Price of CE Monographs by 50%

contributed by The NCIDQ Crew

The National Council for Interior Design Qualification, Inc. [NCIDQ] shares interior designers’ commitment to lifelong learning. We know that in a challenging economy, it can be tough to find quality continuing ed courses at reasonable prices at a location near you. To help you out, we have recently lowered the price of our CE monographs to just $60! You can earn six hours of health and safety credits without ever leaving your office! Read the short book, take the quiz and return it to us. Choose from topics on Ethics, Structures, Sustainability and Diversity in Healthcare Settings.

We’ll score your quiz, send you a certificate of completion and even put your activity into the electronic CE Registry for you for no additional cost.

If you’re a member of ASID or IIDA, your compliance period ends in December. The NCIDQ monographs are an ideal way to ensure that you have all the hours you need for your professional association or state/provincial requirements.

Visit our web site to learn more about this convenient – and now even more affordable – option.

About NCIDQ®

NCIDQ® is an organization of regulatory boards and provincial associations in the United States and Canada whose core purpose is to protect the health, life safety and welfare of the public by establishing standards of competence in the practice of interior design. More information about the organization may be found at ncidq.org.
