

2009/11: What's New At NCIDQ?

contributed by The NCIDQ Crew

NCIDQ has feverously been working on improving its programs and processes and is pleased to announce some new features:

Web site Redesign – In the coming weeks NCIDQ will reveal a new and improved Web site. The new design is part of an overall strategic marketing initiative designed to improve the user experience. The new Web site will have greater functionality and appeal and is focused around a more audience-specific experience, allowing users to search for information they want by determining which audience group they fall into.

New Blog – NCIDQ has launched a new blog, Inside the Q - that focuses on all facets of NCIDQ, from insider tips on application process to special messages from NCIDQ's Executive Director. [Click here](#) to view the brand new blog.

Social Media Platforms – NCIDQ is now on Twitter. [Click here](#) to follow us now! We are committed to staying up to date with the latest social media trends, and will be unveiling new ways to communicate in the coming months.

New Exam Prep Materials – NCIDQ will be releasing new exam prep material for its updated exam. There will be a new Section 3 practice design problem and two new multiple-choice online quizzes available for purchase. For more information about these new study materials, [click here](#).

Online Shopping Cart – NCIDQ is creating an online shopping cart in order to provide a more convenient, seamless way to place orders. QShop will allow customers to purchase all of NCIDQ's products through secure credit card transactions. Shoppers can create accounts, track shipments and manage their orders with ease. QShop will be available with the new Web site.
